14th Sunday in Ordinary Time

From the Parish...

Visitors to our Parish

Welcome to all the visitors that have come to pray with us this Sunday. May your stay be a blessed one and your travels home a safe one.

Revitalization and Restoration Update

Our refurbished quarter sawn white oak doors are now installed. The magnificent doors were originally built and installed in 1911. The doors were hand refinished by the late Bill Wilson in 1986. The new hardware for accessibility, wheel chairs and walkers, will be installed in July when the trades become available.

The window revitalization project has started with a window in the alley and work will continue in July.

The Parish is evaluating a proposal from the Fernie Museum Society to store their collectibles and artefacts in cabinets and steel drawers in the basement of the church. Once approvals are in place and the evaluation is complete, a full update and summary will be presented to all Parishioners. Details of the proposal may be found at www.holyfamilyfernie.ca

Holy Family Parish has available funds to complete the revitalization work in the basement and, in the future, the new rents will be a welcomed future revenue source for Holy Family Parish.
