Fernie Family Garden

It's with great pleasure to announce that Fernie Brewing's Cheers To Charity Program has raised \$4,598.00 for the Fernie Family Garden's Accessible Pathway Project! What a wonderful program they have to support local organizations throughout the year. Huge thanks to Fernie Brewing! Plans are underway to schedule when the pathway can be built, depending on the contractor's availability. A start date will be shared with you once arrangements are made.

The support from Fernie Brewing was made possible by help from the Canadian Adaptive Network, a local organization that aims to bring awareness and support for programs or projects focused on inclusion and accessibility. Thank you for your guidelines on how to create accessible features indoors and outdoors so everyone can be involved!

*For the lasagna garden project, we are looking for grass clippings and "clean" yard waste - leaves/twigs. Please bring bags to the garden's compost area so we can use it for this small project. *
