## Fernie Family Garden update

I am happy to update you on some developments with the garden, now that Spring seems to finally be here we can look forward to getting new work done this year!

I hope you have all had a good winter and that you are all well during this time. It has been a trying time for many so I thank God for our town and smaller community, and the many outdoor activities we have access to that help lift our spirits. You have all taken part in fundraising, maintenance, building and preparing for this garden and I am so thankful for your support. It has helped us get to this point, and this year I anticipate will have much development!

The focus is to build the pathway and mobility-aid/wheelchair-accessible garden area. We have materials on hold to build 5 more garden beds. The 10 already in place are all spoken for by last year's renters, and there are 4 people on the waitlist for the new beds. I'm hoping to get the new beds started in a few weeks. -Tanya Thurmeier-
