Bell Tower Repairs

The necessary repairs to the church bell tower roof will commence on April 19, 2021. The contractor who installed the slate roof on the Fernie Courthouse 25 years ago and who has worked on the St Paul's church in North Vancouver is the Holy Family Contractor. A generous infrastructure grant from the Province of British Columbia was received and the funds will enable the work to proceed. More details, operational plans and photos of a similar project will follow. -HFP-
