Fernie Family Garden update

- Fernie Family Garden has been working to raise money for the next big phase of development, to build an accessible pathway and some table-garden beds that are wheelchair or walker accessible.

- Please consider donating towards the Fernie Family Garden, or make sure to drop your bottles off at our collection shed as all proceeds from this go towards the Garden development.
- The Hughes family is also fundraising for a memorial bench for Eliza. This will be a beautiful, handcrafted bench situated in the garden.

- The Grade 6 French Immersion class at Isabella Dicken helped to build the hügelkultur garden mound and planted seeds and seedlings in the early Spring. It has grown into a mass of greenery and produce - looks amazing! We are reaching out to Fernie Food Share or the Seniors Center to see if they can use the produce.
- Fil Roccamatysi has been busy with the creation of a lovely weathervane that he just installed on the shed roof. It serves as a compass and when the wind blows the arrow points in the direction the wind is blowing from. Very impressive! Thank you Fil for this addition. *Tania Thurmeier & Regina Vinge*
