World Communication Day

Bell Tower Update

The Restoration committee would like to provide an update on the windows project. Work is progressing well however due to costs of repair to some of the windows being much higher than estimated the project requires more funds to finish the work.

The two main windows in the front of the church especially

should have the new glass covers as the old black ones now look badly worn in comparison.

The committee is reaching out to find funding to complete this work and is also hoping that a heart or two out there will be so moved by the beauty of our beautiful historical Church and the work being done to restore various parts of it that they will come forward to contribute to the restoration of this amazing landmark.

Rachel's Corner

"This stone I am holding is like my heart ... made of stone with holes in it and disfigured with scars like my soul and body are. I want Him to keep polishing me... until He finds me to be ready for life again. Rachel's Vineyard helped me see that there is hope and that I can actually invite God to do this in my life." -Testimonial from Retreat

Is your heart weighing you down with regret and shame? Come on a Rachel's Vineyard Retreat and lay your burden down.
