## Fernie Family Garden Update

Fil Roccamatisi and Tanya have been busy constructing the 4 new garden beds for renters on the waiting list. Last week some of the new renters and others volunteered to paint the natural preservative on the lumber so it's ready to go!

The French Immersion Grade 6 class at Isabella Dicken have been busy learning about the Hugelkultur and sustainable garden practices and are eager to get building one at the Fernie Family Garden next week. The mound of wood, pile of branches, and other composted materials will be layered on top and covered with soil so they can plant seeds into it. Make sure to check in at the garden and see how it's growing through the summer.
